High Anti-Corruption Court

INVESTIGATION AND PROSECUTION

In 2023 the National Anti-Corruption Bureau, the Specialised Anti-Corruption Prosecutor's Office and the Higher Anti-Corruption Court achieved:

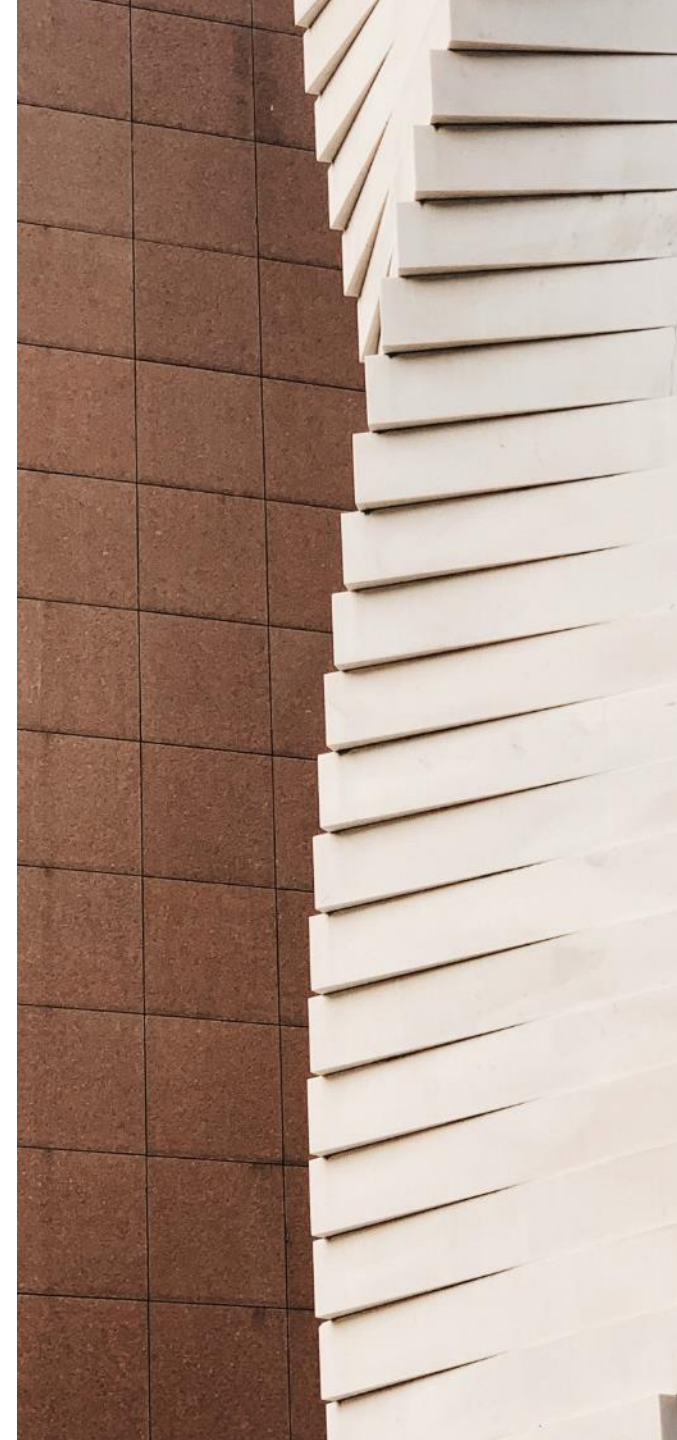

- **101** criminal proceedings
- **257** suspects
- **100** indictments
- **65** sentences

In just the **first half of 2023** more indictments of corruption generated than in each of the years of **2022 and 2021**

Since its formation, National Anti-Corruption Bureau has opened thousands of investigations and brought more than **1,000 cases to court**

JUSTICE

Since its establishment in 2019, the High Anticorruption Court has issued more than **150 convictions**, including cases involving top government officials and business leaders.

A recent example is a guilty verdict in the case of **a former member of Parliament who had been a fugitive, Oleksandr Onyshchenko**, in relation to alleged gas fraud carried out in 2014-2016.

In 2023 alone, HACC heard **130 criminal cases alleging corruption**.

ADVANCES IN CORRUPTION PREVENTION
