

The Association of Magistrates of the Administrative and Tax Jurisdiction of Portugal (AMJAFP) expresses its deep condemnation to the ongoing armed conflict in Ukraine and, in particular, to the unjustified and increasing violation of fundamental rights of Ukrainian Civilian Citizens.

In this context, we call on all political actors and civil society to adopt all measures that can contribute to create the necessary conditions for the immediate restoration of PEACE in Ukraine and for respecting the principles of the democratic governed by the rule of law and the fundamental rights of all Ukrainian Citizens, as enshrined in the Universal Declaration of Human Rights.
