Oleksiy Stolyarenko is an Associate in the Kyiv office of Baker & McKenzie, specializing in Intellectual Property law.

Oleksiy is advising clients on complex IP/IT, copyright, trademark, patent, domain name, the Internet & technology matters, including protection of privacy & information, issues related to technology transactions, start-ups, innovative services and products.

Also he represents clients before the courts of Ukraine in trademark and patent litigation matters and carries out anti-piracy/anti-counterfeiting campaigns.

Oleksiy graduated from the National Law Academy of Ukraine named by Yaroslav Mydriy in 2005, he also received Masters Degree in Intellectual Property from the State Institute of Intellectual Property in 2008. Since 2010 Oleksiy holds LL.M. degree from Paul M. Hebert Law Center, Louisiana State University.

Oleksiy Stolyarenko is a registered trademark/patent attorney of Ukraine.

In addition to practicing law in Ukraine, Oleksiy is also admitted to practice law in the State of New York from 2011.

Mr. Stolyarenko is fluent in English and Russian in addition to his native Ukrainian.
