SPONSORSHIP OPPORTUNITIES

Dear Sirs,

Ukrainian Bar Association (UBA) has the pleasure to invite you to become a partner of the III International Conference «Beneficial business structuring. Best legal advice on tax and commercial advantages in popular jurisdictions» to be held on 16-17 September 2011 in Limassol, Cyprus.

The Ukrainian Bar Association for the third time in a row gathers lawyers from different countries on the paradise island to discuss the tax optimization schemes and peculiarities of business structuring.

The experience of recent years has shown that effective business structuring constantly holds down the interest of lawyers, managers and businessmen, which is why the event keeps gathering more and more participants each year.

Last year the UBA international conference in Cyprus was also honored by the diplomats, including Ambassador Extraordinary and Plenipotentiary of Ukraine in Cyprus. And this year the scale of the event will only grow.

Your participation and support will contribute to holding the event at the highest level and will strengthen your company's image as a successful and vibrant business. Moreover you will obtain excellent networking opportunities and promote your business and services among potential clients from both Cyprus and Ukraine.

For further information about the UBA international conference and partnership opportunities, please contact Iya Savchenko by phone +380 (44) 492-8848 or e-mail: conference@uba.ua.
