# THE UKRAINIAN BAR ASSOCIATION

**The Ukrainian Bar Association (the UBA)** is the biggest non-governmental, non-profit organization which unites lawyers from all areas of the legal profession in Ukraine.

In 2022, the UBA turned 20 years old! We are proud that today the UBA is: 7,000 members, 27 committees, 23 regional offices, more than 550 events per year, dozens of legislative proposals annually and many other initiatives and projects. Only our values remain unchanged, which are: respect for the rule of law, protection of human rights, development of the legal profession, upholding the professional rights of lawyers, and at present – resisting the aggression against Ukraine on the legal front.
